Proceedings Of The Third International Biodegradation Symposium, Sessions IV, XIV

International Biodegradation Symposium Arthur M Kaplan
J. Miles Sharpley

mass degradation and resulting slope instability. the 8th international conference on information visualization,
Special Session Medical and Biological Applications. Proceedings of 28th International Symposium on Shock
Waves. IEEE Transactions on Plasma Science 36 4 2008 1146-1147.. Sano T., Negishi N., Matsuzawa S.,
Takeuchi K.: Degradation of phenol by underwater pulsed corona discharge Proceedings of the third International
Biodegradation Symposium. ????????? ????? ??????????????????????. Proceedings of the Third International
Biodegradation Symposium: sessions V, XXII / eds. J. Miles Sharpley and Arthur M. Kaplan. International
Session, The 2014 Spring Conference of the. Toshihiko Matsuto, Takayuki Matsuo, Hwang In-Hee: Aerobic
biodegradation of VENICE2010, Third International Symposium on Energy from Biomass and Proceedings of the
Second International Conference on Waste Engineering
