Quick Leather Bindings

Keith A. Smith

Quick Leather Bindings: Non-Adhesive Binding Volume 5 is a book by Keith A. Smith. This book focuses on leather bindings and how to use leather more economically than traditional methods. It is part of a series that covers various aspects of binding books, including non-adhesive binding techniques.

In this volume, Smith provides detailed instructions on how to make quarter leather hard cover bindings using dry mount, without the need for paste or glue. He also discusses the process of making exposed spine sewings, which is a practical and aesthetically pleasing way to bind books.

The book covers a wide range of topics, from the history of leather bindings to modern techniques. Smith's approach is both educational and practical, making it a valuable resource for both beginners and experienced binders.

The book is available online at Amazon in both print and digital formats, allowing readers to purchase and access it from the comfort of their own homes.

This book is highly rated by readers, with 15 ratings and 4 reviews on Amazon. Many readers have praised Smith's clear and concise writing style, which makes complex topics easy to understand.

In conclusion, Quick Leather Bindings: Non-Adhesive Binding Volume 5 is an excellent resource for anyone interested in learning about leather bindings and improving their skills in this craft.
