Skippy Dies

Paul Murray

Skippy Dies follows the adventures of two unlikely schoolmates, Skippy and Ruprecht, at an Irish private school. The book's been described as a comedic panorama of Irish boarding-school life with a dark heart, melding the ensemble high jinks of the Harry Potter series with a dark, angst-ridden tone. The novel is set in a Catholic boy's boarding school and follows a group of students and faculty members as they navigate the challenges of adolescence, grief, and the potential for tragedy. As promised, 14-year-old Daniel "Skippy" dies like a fish on the floor of the local doughnut shop? Skippy Dies: A Novel is a humorous, heartfelt, and profane novel that explores the impossible things that we want and the humanity that we find in the process. The novel is a finalist for this year's Man Booker Prize, which has helped to bring Skippy Dies to the attention of a wider audience. The book's themes of grief, love, and the absurdity of adolescence are expertly woven together, creating a story that is both hilarious and profoundly moving. Skippy Dies is a novel that will resonate with anyone who has ever experienced the pain and joy of adolescence, and it is a must-read for fans of contemporary Irish literature.
