The Chronicles of Narnia: The Lion, the Witch and the Wardrobe online - Based on the classic novel by C.S. Lewis. Four London children are sent to a wardrobe, where they find a whole other land. The film was directed by Andrew Adamson, who was also responsible for such films as Shrek and Brave. The cast includes Georgie Henley, Skandar Keynes, William Moseley, and Anna Popplewell. The film was released in 2005, and it received mixed reviews from critics and audiences alike. While the visuals were praised, some felt that the adaptation was too faithful to the book, lacking the depth and nuance of the original story. However, the film was a commercial success, grossing over $400 million worldwide and becoming a hit for Disney. Since then, the film has become a beloved part of the Narnia franchise, with several sequels and spin-offs planned in the future.
