Cook's Companion has established itself as the kitchen 'bible' in over 500,000 homes since it was first published in 1996. In 2004, Stephanie Alexander published The Cook's Companion Updated Edition, which includes new recipes and revised ingredient and equipment listings. The Companion has become a trusted resource in kitchens worldwide, known for its comprehensive collection of recipes and cooking tips. Its influence on the culinary world is evident through its status as a kitchen bible and its role in shaping contemporary cooking practices.
